request on behalf of another person without including such signed authorization, HUD will inform you of the authorization needed.

(c) *What time limits apply in unusual circumstances?* If you have requested an especially large number of records, the records are not located in the office handling the request, or HUD needs to consult with another government office, HUD will notify you that extra time is required and provide an estimate of that time. If the extra time needed is more than 10 working days beyond the general time limit set out in paragraph (a) of this section, HUD will offer you any opportunity to limit the scope of your request so that HUD may process it within the extra 10 working day period.

(d) *What time limits apply to my request for expedited processing?* If you requested expedited processing, HUD will notify you within 10 working days after it receives your request whether it will grant expediting processing.

## § 15.105 How will HUD process my request?

(a) *Multitracking.* (1) HUD places each request in one of two tracks. HUD places requests in its simple or complex track based on the amount of work and time involved in processing the request. Factors HUD will consider in assigning a request in the simple or complex track will include whether the request involves the processing of voluminous documents and/or whether the request involves responsive documents from three or more organizational units. Within each track, HUD processes requests in the order in which they are received.

(2) For requests that have been sent to the wrong office, HUD will assign the request within each track using the earlier of either:

(i) The date on which the request was referred to the appropriate office; or,

(ii) The end of the 10 working day period in which the request should have been referred to the appropriate office under § 15.104(a).

(b) *Expedited processing.* HUD may take your request or appeal out of normal order if HUD determines that you have a compelling need for the records or in other cases as determined by the

agency. If HUD grants your request for expedited processing, HUD will give your request priority and will process it as soon as practicable. HUD will consider a compelling need to exist if:

(1) Your failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual or a threatened loss of substantial due process rights; or,

(2) You are primarily engaged in disseminating information and there is an urgency to inform the public concerning actual or alleged Federal Government activity.

## § 15.106 How will HUD respond to my request?

(a) *Who will respond to my request?* (1) The FOIA Office of the Office of the Executive Secretariat in the Office of Administration in HUD Headquarters and the FOIA liaisons in each HUD Field Office are authorized to release copies of any HUD records unless disclosure is clearly not appropriate under FOIA.

(2) The FOIA Office of the Office of the Executive Secretariat in the Office of Administration in HUD Headquarters and the FOIA liaisons in each HUD Field Office may deny a request for a record in accordance with the provisions of FOIA and this part.

(b) *What type of response will I receive?* Within the time limit described in § 15.104, HUD will either:

(1) Agree to give you all the records you requested;

(2) Advise you that HUD will not give you some or all of the records you requested. Any denial or partial denial of a requested record must be concurred in by the FOIA Office of the Office of the Executive Secretariat in the Office of Administration in HUD Headquarters, by counsel in the Field Offices, or by counsel in HUD's Departmental Enforcement Center Satellite Offices. In this case, HUD will:

(i) Explain why it has decided not to comply fully with your request, citing specific exemptions where applicable;

(ii) Describe the records denied or, if there are fewer than 21 records denied, list them specifically;
